About Us

M/S. Ideal Electric Corporation established in 2015-16. The company was incorporated as Industrial Trading House and is a group of professionals having best experience of Trading and Marketing of various types of electrical goods. We introduce ourselves as one of the leading trading houses of industrial electrical goods for past 5 years. We are authorized super stockist & distributor of India's most reputed brands of cables, switchgears, lighting products & all types of industrial electrical goods. We have the ability to meet any electrical demand of the global market with good quality, availability & price. We have made our presence felt in many industries & construction segments within a considerably short span of time. We maintain a huge quantity of all types of industrial electrical goods and can be supplied in a very short period of time. Our aim is to provide complete satisfaction to our valued customers despite stiff competition in the market.

IDEAL ELECTRIC CORPORATION A HOUSE OF INDUSTRIAL ELECTRICAL GOODS

We are glad to be a part of electrical industries. We embarked on the ambitious task of prompt services, supplying good quality, and providing even non-running products of electrical components in the various industries around the Bharuch District.

Under the able guidance of our director, "Mr. Devendra Jain", we are able to maintain a unique stature in this domain. His wise managerial skills, commendable knowledge and innovative ideas have enabled us to acquire immense appreciation across the nation.
